**The Carl Duisberg Training Center Munich**, a licensed TestDaF Center, offers you a competent and comprehensive exam preparation course. This 4 week course has been specially designed to prepare you for the exam format and the precise demands of TestDaF. You learn a range of strategies and techniques to help you deal successfully with the tasks and challenges of the exam and work with model exam papers to give you ample practice.

In contrast to our Intensive Course Plus, which develops and deepens your general language competence, this course with its extensive, relevant exam-type tasks provides a sound and solid preparation for TestDaF.

This preparation course, comprising 20 training units per week (1 TU = 45 minutes), lasts 4 weeks and takes place in the afternoon from 14.30–17.45.

On completion of the course you can take the TestDaF exam at the Carl Duisberg Training Center Munich.

To make sure you get a place, you can enroll right away online:
